

Umbrella Rules.

Umbrella rules are rules which cover everything about good behaviour at Abbey Junior School.

Children and staff are encouraged to discuss rules which encourage a positive atmosphere within the classrooms and beyond. Children are expected to understand that rights bring responsibilities and that in order to enjoy their time at Abbey Junior School they are also responsible for creating the environment they want.

We believe that everyone has the right to feel safe in school. Therefore everyone has a responsibility to behave in a safe way.
